APPOMATTOX (VA.) - TIMES-VIRGINIAN - OCTOBER 6, 1977

Appomattox County Library

New Acquisition

Wildlife Watchers Handbook (Bow Hunters, Birders, Naturalists and Photographers Can Get Close to Wild Animals and Birds) is the title of the recently published book by Dr. Frank T. Hanenkrat. Dr. Hanenkrat has dedicated this book to his father, Frank Hanenkrat, Sr. who lives in Appomattox who "taught me to love the outdoors." The Handbook is full of practical information for the beginner as well as for those who already "know" and love the outdoors.

The Library will participate in the Railroad Festival Saturday and Sunday, October 8 and 9 with an **Open House** to view its facilities and Historical and Nature exhibits. The hours will be from 12 to 5 on Saturday and from 1 to 5 on Sunday. There will be no check in or out of books during this time.

The Friends of the Library cordially invite you and all visitors to the Festival to come and see this fine community resource.

An opportunity will be provided for interested persons to join the Friends of the Library.

An inventory of the Library is a future and very necessary project. To do this it will be necessary for Mrs. Margaret Glover, Librarian, to have volunteer assistance. Those who wish to volunteer their assistance can indicate this by signing a schedule at the Library for the days and hours they want to donate along with name, address and phone number.

SUPER DOLLAR EARNINGS

Super Dollar Stores, Inc. (OTC), a discount variety chain of 130 stores headquartered in Raleigh, N. C., reported sales of $7,159,000 for its second quarter ended August 13, 1977, an increase of $1,384,000, or 24%, over sales of $5,775,000 for the same quarter of last year.

Net income for the second quarter this year was $123,000, or 20 cents per share, compared to $144,000 or 23 cents per share, during the same quarter last year. After absorbing the April 1977 after-tax flood loss of $46,000 or 7 cents per share, net income for the current two quarters amounted to $282,000 or 38 cents per share, compared with $276,000 or 45 cents per share last year.

Leon M. Melvin, its President, said that sales since the latter part of the second quarter have been off compared with a year ago. He attributed this mainly to the drought conditions in most of the chain's agricultural towns and the ten-week strike in its coal mining towns that ended week before last.

The Company also reported that its Board of Directors today declared its third quarterly cash dividend of 5 cent per share, payable November 25, 1977, to shareholders of record November 4, 1977.

Spanking children as a form of discipline may not be effective, Virginia Tech Extension Specialists said, because it teaches children to be evasive and deceptive. They learn not to let daddy or mother catch them doing whatever it was that caused the spanking.
